" In terms of aesthetic and technical, ENDURO can really understand our desire as a designer... Last but not least, ENDURO can meet desired quality and the client's budget..."

Diana Nazir - PT. Artura Insanindo

" According to our clients, ENDURO products are excellent in terms of design and quality. This product can be aligned with other international products."

Daniel M. Hutaeruk - PT. Pyramida Duta Cemerlang

" Why I chose ENDURO ?

Because what I need is a good products and innovative."

Vovo Budiman - Interna Gallery

" I am very careful in choosing products, either for me personally or for my company. For office workstation I always recommend ENDURO. I'm not promoting it, but trully ENDURO is a good product and I have proved it."

Hendra Herbina - PT LG Electronics Indonesia

" ENDURO Workstation has a comparative advantage in terms of strength of materials and the beauty of its appearance. If the quality of the design to be improved, Enduro can be a workstation to be reckoned with in the world of interior design office, not only in Indonesia but also in foreign countries."

Ir. Bambang Eryudhawan, IAI - Ketua IAI DKI Jakarta

" I want to share my experience working with ENDURO. I was looking for office furniture for my project, I needed someone who can do it " RAPIDLY " due to our deadline. My friend recommended me ENDURO which I never heard before.

I had a chance to visit their factory in BSD, and we decided to take ENDURO as soon as we agree with the budget and delivery time. The Result : ENDURO was able to meet our project's Deadline though volume is huge. The after sales service is also OK for us, they immediately follow up all the Complaints.

My Conclusion : Good work ENDURO!!! Two thumbs up!!! "

Oscar Andi - PT. Griya Trada

" STP (Sentra Teknologi Polimer) BPPT has appointed ENDURO as our supplier for office partition and furniture because of the ease of communication and excellent services."
